Tokunaga Masonry, Inc. (TMI) is a Service Disabled Veteran Owned Small Business. We are a general contractor with experience in design-build projects, new construction, and federal and public works projects. Our Mission is to construct structures for the protection of people, property, and the environment. We accomplish this with professionalism, teamwork, and excellence. We have the experience, personnel and resources to meet your needs and exceed your expectations.

In addition to new construction services, we also offer extensive experience in concrete rehabilitation and structural envelope repairs.

By contracting with Tokunaga Masonry, your firm will comply with recent veteran's legislation mandating procurement opportunities for service-disabled, veteran-owned small businesses. While meeting your goals, ***you can rely on us to provide quality construction-on time and on budget.***
